CORPORATE PROFILE

Meet The Team

Nadeem Anwar
Founder & Director Sales,

Nadeem Anwar is an entrepreneurial sales leader with over 20 years of experience across the pumps, piping, fuel, and lubricants industries. He holds an MBA in Marketing from COMSATS Institute of Information Technology (CIIT), Islamabad.

Early Career & Corporate Growth: Started at **KSB Pumps** as a top sales performer before serving as **Regional Sales Manager** at Dadex, leading major industrial projects with key clients like ZKB, TopCity-1, and Chashma Sugar Mills.

Entrepreneurial Success: Founded **Promec** Company Islamabad in 2020, which expanded into PMEC Group—a diversified business operating in fuel supply, lubricants, industrial trading, and infrastructure.

Commercial Impact (2020–2026): Generated over **PKR 2 billion** in fuel sales serving government and commercial sectors across Pakistan.

Market Expansion: Pioneered the Northern Pakistan market distribution for **Fuchs Lubricants**, establishing a strong network against major multinational competitors. Today, **Mr. Nadeem** continues to drive PMEC Group's growth, high-value tender acquisitions, and long-term strategic partnerships to support Pakistan's industrial development.

Our Companies

****Promec Company Islamabad****, the energy division of ****PMEC Group**, was established in 2011** with a commitment to providing reliable and efficient commercial fuel supply solutions across Pakistan. Through strategic partnerships with leading petroleum companies, Promec supports transport fleets, industrial facilities, construction projects, government organisations, and commercial enterprises with dependable bulk fuel supply and efficient project fuel management.

Fuel & Lube (Pvt.) Ltd. delivers premium lubricant solutions for commercial fleets, industrial machinery, heavy equipment, and passenger vehicles. As the Group's mobility division, the company also supports fleet maintenance and is expanding into commercial tyre distribution through strategic partnerships with international manufacturers, providing comprehensive mobility solutions for Pakistan's growing transport and industrial sectors.

Infratech CS (Pvt.) Ltd. is the infrastructure and mobility solutions division of **PMEC Group**, specializing in the supply of premium construction materials and commercial tyre solutions. Through strategic partnerships with leading manufacturers and international suppliers, the company delivers cement, sand, aggregates, and high-performance tyres for infrastructure projects,

transport fleets, industrial operations, and commercial customers across Pakistan.

The company is actively expanding its commercial tyre portfolio by collaborating with global manufacturers to introduce high-quality ****Truck & Bus Radial (TBR) tyres**** to the Pakistani market. Backed by a reliable supply chain and customer-focused approach, Infratech CS is committed to becoming a trusted distribution partner for international tyre brands.

Our Services

Fuel Supply

Providing dependable bulk fuel solutions for commercial, industrial, transport, and infrastructure sectors through trusted supply partnerships.

Lubricant Supply

Delivering premium automotive and industrial lubricants that maximize equipment performance, reliability, and operational efficiency.

Tire Solutions

Offering durable commercial tyre solutions for transport fleets, industrial operations, and heavy-duty applications through strategic global partnerships.

Construction Materials

Supplying high-quality cement, sand, and aggregates to support infrastructure, commercial, and residential development projects.

*Delivering Excellence Across Energy,
Mobility & Infrastructure
Building Partnerships That Last.*
